collabdays Zagreb, Sept 2026

CollabDays Croatia Friday, Sept 25th 2026

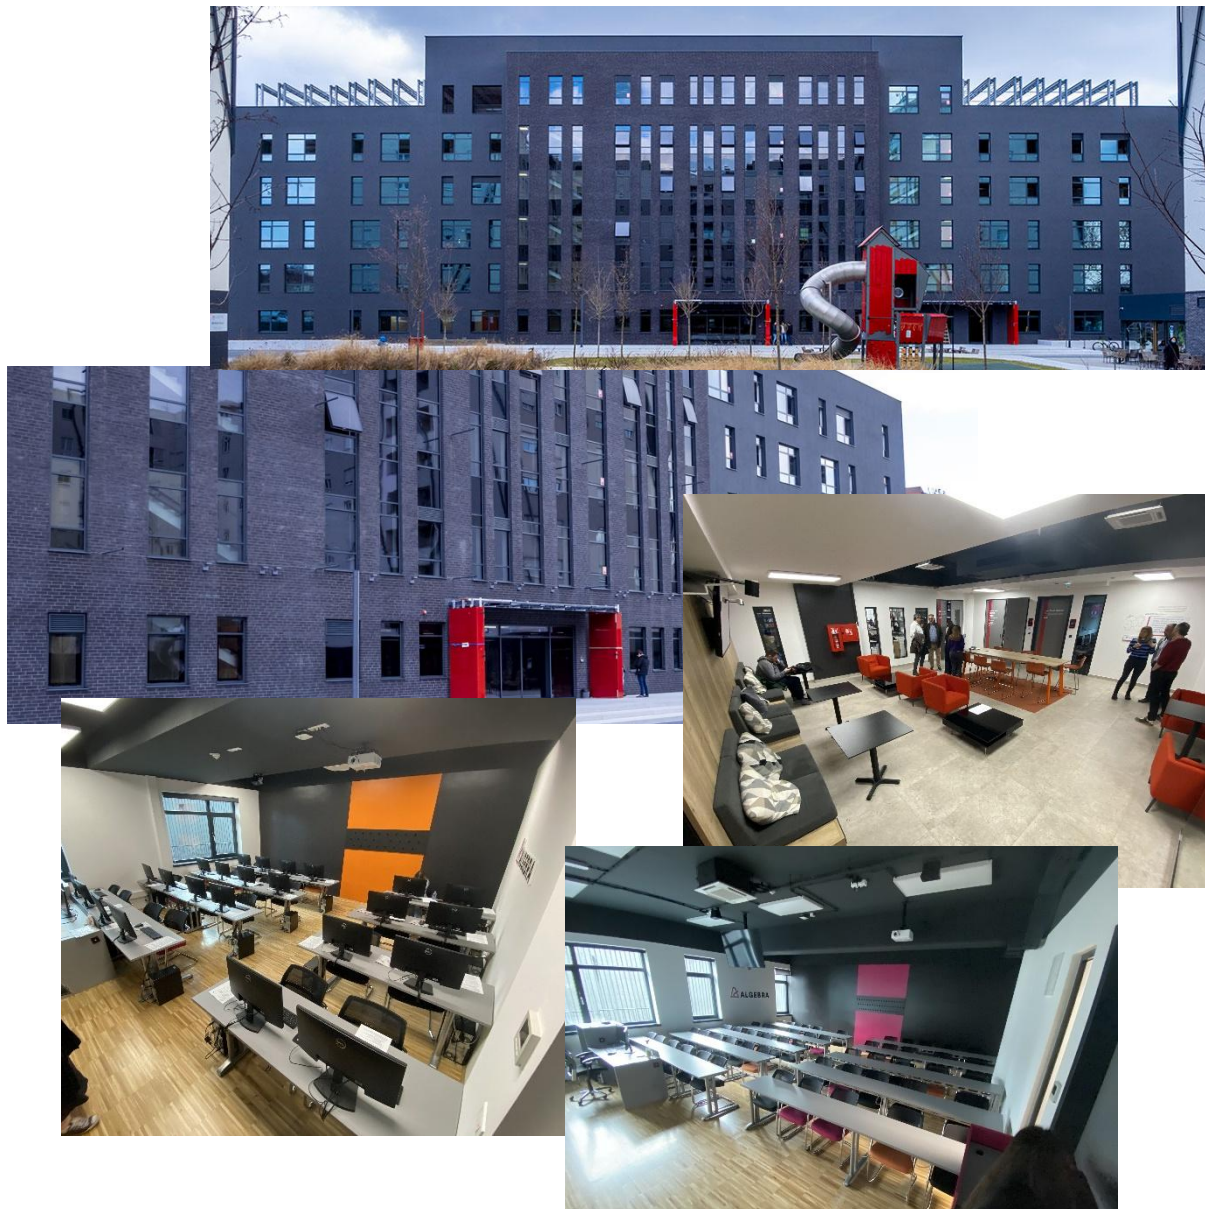

INTRODUCTION

Welcome to CollabDays Zagreb 2026!

CollabDays Croatia 2026 is a FREE one-day event, featuring sessions from influential and well-known technical professionals. The event attracts IT professionals, developers, business decision-makers, and software engineers from different industries working with Microsoft technology.

VENUE

The event will take place at Algebra, located at Gradiscanska 24, Zagreb, Croatia ([map](#)).

collabdays Zagreb, Sept 2026

CollabDays Croatia Oct 4th 2026

ABOUT THE EVENT

The event will allow attendees to discover and learn more about how Microsoft 365 Copilot, Microsoft 365, Microsoft Teams, Power Platform, Microsoft Viva, and Microsoft SharePoint can help their business. Please join us in October 2026 to be part of this great event!

As a valued IT company, you have the opportunity to be one of the few and privileged partners that will support such a great event. The event will be primarily conducted in English and Croatian languages, with structured sessions for Croatian attendees. It will feature at least 3 parallel tracks, each comprising at least 6 breakout sessions, totaling at least 20-25 technical sessions. Additionally, there will be an initial keynote/welcome session, as well as an optional final closing session.

The target audience is made up of IT pros, developers, business decision-makers, and software engineers interested in Microsoft technologies, coming mainly from Croatia but also from neighboring countries (like Austria, Slovenia, Bosnia and Herzegovina, Serbia, etc.). Sessions will be delivered by a team of locally and/or internationally well-known and experienced speakers (Microsoft Certified Masters – MCM, Regional Directors, and Microsoft Most Valuable Professionals - MVP). We expect about 250 attendees, considering 2025 was more than 200.

Speakers in 2024 were from UK, US, Germany, Belgium, France and Slovenia. We have some great names like Spencer Harbar (UK), **Martin Rövekamp** (Germany), **Knut Relbe-Moe** (Norway), **Paul Hunt** (UK), **Angeliki Patsiavou** (UK), **Robert Vončina** (SLO), **Gokan Ozcifci** (Belgium), **Anouck Fierens** (France). The great speakers allow us to attract more people to the event.

Some of the speakers from 2025 are: **Zvonimir Mavretić** (HR), **Vladimir Stefanovic** (NL), **Tomislav Fučkar** (HR), **Steve Dalby** (GB), **Spencer Harbar** (GB), **Sasha Kranjac** (HR), **Rebecka Isaksson** (SE), **Pieter Op De Beéck** (BE), **Paul Hunt** (GB), **Oktay Sari** (NL), **Nedim Sadovic** (BiH), **Mustafa Toroman** (BiH), **Marijn Somers** (BE), **Marco Rocca** (IT), **Leo Mrsic** (HR), **Justine Wolters** (NL), **Joery Van den Bosch** (BE), **Jelena Miodragovic** (RS), **Jamel ABED** (FR), **Hrvoje Kusulja** (HR), **Domagoj Piskur** (HR), **Christoph Twiehaus** (DE), **Anouck Fierens** (BE), **Andreas Schlüter** (DE), **Anastazija Crnković** (HR)

Speakers, staff, and organizers at CollabDays do this at their own expense and do not get paid either.

Information about the event, including location, speakers, sessions, and schedule, will be available on the official website <https://collabdayszagreb.ms-community.org/>
